Joseph Ferencz

In the late 1950s and early 1960s, Joseph Ferencz was one of the top players in Montreal, regularly contesting the city championship. However, his employer offered him a choice of locations: Montreal or Toronto. He chose Toronto because the outdoor tennis season was longer!

Mr. Ferencz was still active in his 90s, playing \_ and winning \_ in the 2000 Toronto International. He was full of stories, and his mind was incredibly alert.

Shortly before one of the rounds, I presented him with a printed copy of some games he played that I had found in Hugh Brodie\_s games database. He thanked me and tucked them into his briefcase, probably without realizing what they were. A few minutes later, as I was chatting away with another player, there was a tapping on my shoulder. I turned around and discovered that it was Mr. Ferencz. He had taken out his huge magnifying glass for reading, had looked over the pages I had presented to him, and

was now proceeding to explain to me EXACTLY how he could have won the first game on the page \_ a game he had played 45 years earlier!!

Thanks to Andrew McMillan for locating the following game in the Montreal Gazette.
