Do You Know ? / Savez-Vous ?

2006 Canadian Open – Kitchener, Ontario

This tournament was held July 15 – 23. It was divided into three sections – Over 1800 (Open); U 2000 & U 1600 (many players liked this, since it avoided the “ yo yo effect “ of a large one section swiss – opponents are too strong in some rounds, and too weak in others). Over 200 players from across Canada came, as well as players from Russia, Ukraine, India, Israel, Germany, USA, Cuba, Mexico, etc..

Even before announcing the winners, the first order of business has to be to congratulate and thank the organizer, Hal Bond (& his right-hand-man, Patrick McDonald) and their staff, for an excellently run tournament ! The organizers provided sets, boards, clocks (digital, allowing increments), score sheets, pens, and arranged with the hotels to have lots of cold water on hand. The hotel playing areas were excellent, with tablecloths, good lighting, space in the aisles for viewing, boards far enough apart, staff kept the noise down, good skittles room for analyzing after the game, far from the playing hall, etc.. As an added touch, there were name signs, with rating and flag for all players in all three sections (makes everyone feel professional). For 6/9 rounds, the Open section played at 6:00 pm, and the other two lower sections played at 11:00 am. This seemed a good experiment, since the lower rated players could go watch the Open section in action in the evenings, after their games had all finished. There was a lot of favourable comment on this. The top boards used the new MonRoi technology – electronic score sheet. This certainly looks like the scoring of the future (though the price has to come down a bit first). All in all, a fun and pleasant 9 days !

There were two co-champions in the Open section, with 7/9 points – GM Walter Arencibia (Cuba); GM Abhijit Kunte (India). Tied for 3rd / 9th, with 6.5 pts., were : GM Evgeny Bareev (Russia); GM Alexander Moiseenko (Ukraine); IM Fidel Corrales (Cuba); IM Thomas Roussel-Roozmon (Canada); IM Tomas Krnan (Canada); GM Hans Joachim Hecht (Germany); IM Leonid Gerzhoy (Israel – now residing in Canada). There were 6 players that finished ½ pt. out of the money, at 6 pts., and among them were Canadians Nikolay Noritsyn (who gained his third IM norm – he now only needs to get his FIDE rating over 2400 !), FM Goran Mikanovic and Jonathan Tayar.

The U 2000 section was won by John Upper of Mississauga, with 8/9 pts.. There was a 7 player tie for second, with 6.5 pts. – Wayne Coppin, Ken Graham, Mavros Whissell, Alex Ferreira, Florian Bergeron, John Vlasov, Cassius Marsh (he won the Unrated Prize). Your intrepid editor finished tied 22nd/30 (out of 81), at 5/9 pts, being paired up in every round (a threat, I was not !).

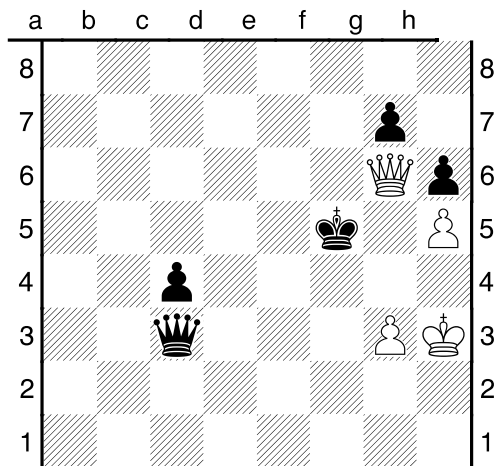

The U 1600 section was won by BC Junior, Alexandra Botez, with 7.5 pts.. Tied for 2nd/3rd were Henry Grayson and Hugo Ortiz.

In Round 4, Kunte, a co-champion, defeated Corrales in a wild game that saw Corrales sac his Queen and was winning, should have been drawn by perpetual, but Corrales played blitz, refused the perpetual and ended up about to lose his newly promoted Queen. Here is the game :

In Round 6, an interesting encounter was the game Arencibia (one of the co-champions) - Bareev (top rated player), which saw Arencibia win. Here is their game :

In Round 9, Bareev, who had been having a difficult tournament, played GM Alexander Huzman from Israel, who had 6 points, and with a win, would get a share of 1st place, with a draw tie for 3rd/9th. Bareev offered a repetition of moves early on, and Huzman declined. Bareev went on to win a nice game. Here it is :

All in all, it was a great tournament with lots of interesting fighting chess !

Team Scarborough (and Reserves) at the Canadian Open

There was a team prize at the C.O. for 4 player teams from a club; 17 teams registered. Scarborough players were Jim Paterson (U 2000), Bob Armstrong (U 2000), Steve Karpik (U 1600), and Michael Perez (U 1600). We would have liked to have a second team as well, but there were only 2 other SCC players at the Open, John Hall (Open) and Petar Zlatanov (U 1600). The individual scores of the players were :
John Hall – 5.5

Bob Armstrong – 5

Michael Perez – 4.5 (but due to confusion about the time of the last round, he forfeited in Rd. 9)

Jim Paterson – 4.5

Steve Karpik – 4.5

Petar Zlatanov – 3 (same problem re forfeiting in Rd. 9)

Scarborough therefore finished with a just barely plus score - 18.5/36, and came 6th (quite respectable). Mississauga won the club team prize of \$ 1,700, with 24.5 pts..

There were many hard-fought, good games played by the SCC members. Your editor is trying to pry some games out of everyone, and we'll present a few here, and in the next few issues.

Two of the best games played by an SCC'er were two identical openings played as black by John Hall (who finished 24th/91 players in the Open Section !!). He drew with a very strong master from Hamilton, FM Frank Pushkedra, in the first game, and defeated IM Julian Estrada (Mexico) in the second game. Here are the two games (Annotations by Bob Armstrong, using Fritz) :
