Motions of the CFC Governors

Northern carries the text of motions passed by the Governors of the CFC. The last update was in **Northern** 20.

86-10 Jaeger / Bunning: That the CFC not send a Ladies' Team to the 1986 Olympiad.

86-11 Cabanas / Burke: That the CFC allow "tournament memberships" for players not resident in Canada at the rate of \$1 per round with a \$5 minimum. The player will receive the copy of EP where the report of the tournament in which he/she participated in appears. This provision may be used any number of times by the player.

86-15 Burgess / Webb: That the final paragraph of Section 14 of CFC Bylaw Number 2 which reads, "No person may be elected or appointed as a general officer if he is involved in a chess-related business." be deleted in its entirety and replaced by, "No person may be elected or appointed as CFC President or CFC Treasurer if he is involved in a chess-related business. Any CFC general officer shall, whenever a proposal is being considered which puts him in a potential conflict of interest situation, declare the conflict and abstain from discussion, voting or other involvement in the matter."

86-16 Fleming / Bond: That the CFC shall allow an accelerated final time control in Swiss system tournaments where two or more rounds are held in one day, that this time control shall only come into effect after at least 60 moves have been played, that the minimum amount of time be not less than 30 minutes in which to complete the game, that the use of this time control be documented in the tournament report submitted to the CFC and that this regulation be reviewed by the CFC in 1988.

86-17 Burgess / Stockhausen: That the CFC express its sympathies and concern to the Israeli Embassy and to the Wiesenthal Institute, and that the CFC send a letter to FIDE stating that the CFC is opposed to any recurrence of the situation where a FIDE competition is awarded to a member which does not admit all members of the organization.

86-18 Fleming / Pratt: That the CFC retroactively award prize money to the Women's Closed in the amount of \$300 first, \$200 second.

87-1 Kirton / Pratt: That team matches between Canada and the United States be ratable, and that the rating fee for such a match be double the normal fee, irrespective of the membership status of the US players.

87-8 Pratt / Graham: That the classification for 2000 - 2199 be renamed to "Candidate Master".

87-10 Burgess / Fleming: That the CFC provide \$250 to the companion for the 1986 Cadet Champion, this money to come from the Junior Fund.

87-11 Bond / Prentice: That the CFC provide \$250 for a second to the World Junior Championships, effective in 1986 and that the second be a player of at least Candidate Master strength.

World Championship

After two losses in the first four games in the Leningrad half of the World Championship, challenger Anatoly Karpov was down by a score of 9½-6½. He engineered a stunning comeback with three consecutive victories over world champion Gary Kasparov to tie the match.

The stage was set for a dramatic finish - 5 remaining games and no timeouts for either player. Games 20 and 21 were fairly cautious draws but Kasparov struck first in game 22 with a beautiful win. This left Karpov the virtually impossible task of winning the last two games to win the match. (The match rules allow the champion to keep the title in the event of a 12-12 tie.) In fact, Kasparov secured his crown by the 23rd game, in which Karpov offered the necessary draw!

The 24th game was played as scheduled to determine the distribution of the \$900,000 U.S. prize fund. The game ended in a draw. Kasparov received 5/8 of the fund for his 12½-11½ victory. A victory by Karpov would have tied the match, with the money being split equally.

Canadians

GM Kevin Spraggett, current Canadian co-champion, is travelling in Europe in preparation for his debut appearance on the Canadian Olympic team. He will be leading the team on board 1.

He competed in a Category XII (avg. rating 2540) GM tournament in Szirak, Yugoslavia from September 9 - 21 and finished with an even score (+1, =11, -1). The event was won by Lev Psakhis of the Soviet Union with 9/13. Josef Pinter of Hungary was 2nd with 8. Jesus Nogueiras (Cuba) and Ian Rogers (Australia) shared 3rd-4th with 7½.

The other Canadian co-champion, IM Igor Ivanov, has also been busy. Ivanov and Colombian-born Nelly Vivas were married in New York City on September 4th in a private ceremony.

Mrs. Vivas-Ivanov, as she would like to be known, recently celebrated the 20th anniversary of her career as playwright, director and producer. Her work has been seen in theatres and at festivals throughout Europe, Latin America and the United States.

Best wishes to the happy couple!

Ray Stone of Toronto should receive the FM title at the Dubai congress according to the most recent President's Circular from FIDE. Congratulations!

Candidates' Final

The Men's Candidates' Final between Soviet GMs Artur Yusupov (26) and Andrei Sokolov (23) was held in Riga, starting on September 2. Yusupov, currently 3rd on the world ranking list, had a 6-4 advantage after an early lead in the match. Sokolov hung tough to emerge as the surprising winner after a strong finish. He will face Anatoly Karpov in February 1987 to determine Kasparov's challenger next year.

Women's World Championship

The Women's World Championship between current titleholder Maia Chiburdanidze and challenger Elena Akhmilovskaya began in Sofia, Bulgaria, on September 2. At the midway point, Chiburdanidze held a commanding lead of 6-2. Her title does not appear to be in danger. The second half is being played in Borjomi, USSR.

World Junior

60 players competed in Gausdal, Norway for the World Junior Championship. The surprising winner was 19-year-old Walter Arencibia of Cuba with 9½/13, winning on tiebreak over top-seeded GM Simen Agdestein. 3rd-5th were Ferdinand Hellers (Sweden), Evgeny Bareev (USSR) and Josef Klinger (Austria). Canadian junior champ Vinny Puri had a slow start but recovered to post an even score of 6½ points.

World Cadet

Canadian cadet champion Chris Johnson of Claresholm, Alberta, finished with 6/11 in the World Cadet in Rio Gallegos, Argentina. In round 1 Chris lost to the eventual winner, Vladimir Akopian (8½) of the Soviet Union. The game lasted 93 moves and took 7 hours of play! Last year's winner, Ilya Gurevich of the United States, was clear second with 8. A total of 32 participated.

British Championship

This year's British Championship, although overshadowed by the World Championship match in London, was a well-fought battle among the 62 competitors. Three GMs shared first with 8/11: Murray Chandler, Jonathan Mestel and Jonathan Speelman. They will have a playoff for the title.

14-year-old Michael Adams, England's most recent hopeful, made an IM norm in the event, scoring 7 points. It is interesting to note that GM Nigel Short made his first IM norm at the British Championship, also at age 14.

FM Ian Findlay of Toronto was the sole Canadian in the event. He scored 6 points.
